

## THE IMPOSSIBLE Adventures of a Grouch

"M. R. SNIDEWENDER, made such a howl at our club meeting this afternoon," said the landlady. "The ad-dressed the young people, particularly and told them never to consider anything impossible. A man can attain anything he desires, if he goes after it in the right spirit."

Yet the impossible is a condition rather than a theory. Mrs. Jiggers observed the star boarder. "It is the fashion to talk in the manner of Mr. Snidewender, and quite the old broad-side touching the bright lexicon of youth, but many things are denied us, and it is good for us that this is so."

When I was a young man and as beautiful as Narcissus, I fell in love with a statuesque maiden named Sophia Tangle. She was a perfect dancer, Mrs. Jiggers. She walked in beauty like the night, and I was determined to make her my bride. I refused to admit that defeat was possible. I proposed to her at 3 o'clock every Thursday afternoon for a year, until she got tired of turning me down and carried a placard with the word "No" painted on it in large letters, and this placard she carried down and over I began my impassioned avowal.

"In order to win the hand of this lovely creature I made a living sacrifice of myself. I abandoned all my bad habits, even to smoking cigars and playing checkers, and spent all my spare hours studying my mind. I learned all the poets by heart, knowing that she was fond of poetry, and could quote 'Paradise Lost' or 'Purgatorio' without skipping a comma. She had romantic ideas, and in order to please her I learned to play the guitar, and used to sing the most touching songs under her window. She lived at a boarding house, and there were many other windows, and from these there often came a shower of crockery and furniture which would discourage any minstrel, yet I persevered."

"But it was all in vain, my dear Mrs. Jiggers. The fact that I refused to recognize the impossible, it was the impossible to lose any sleep. It was on duty at the old stand, just as

it is today, and will be till the sands of the desert grow cold.

"One night I appeared under her window with a flute, having learned that she adored that instrument. I had purchased the flute at the pawnshop on time. I was tuning up, preparing to play 'The Redoubt's Love Song' when the window opened and the landlady of the establishment pushed out her venerable head, and told me to kidnap myself at once. There's no use raising a row under this window any more," said she. "For Miss Tangle was married this afternoon to a young man who sells toilet soap."

"So you see how much good my inflexible determination did me. For two days I was inconsolable and my despair was the talk of the town. Then I met a most attractive brunette and began proposing to her. In ten years I proposed to many women, and was turned down by one and all, both great and small, and the memory of Sophia Tangle was with me always. I felt that she was my one true love."

"The afternoon I happened to drop into the hotel to get a fresh toothpick. A bald headed man who treated sore feet and guaranteed to remove corns at 25 cents a throw, was occupying the parlor just off the lobby. His face seemed familiar to me, but I couldn't place him at first. Presently his wife stepped into the lobby and I had to lean against the cigar counter and bite the gas fixture to keep from swooning. She was that rare and radiant maiden whom the angels named Sophia. She was extremely fat, Mrs. Jiggers, and she needed a clean shave, and she talked basso profundo."

"I staggered from the hotel and went to the drugstore for a drink of turpentine. When I recovered my faculties I remarked to myself that the impossible is about the best thing that ever happened, and I still hold to that theory. Had I succeeded in over-coming the impossible, I should have gone day, I might now be down at that hotel pawing over the feet of the proletariat. As it means, let me have some stewed prunes, for I still feel somewhat faint."

## TO PAVE BISBEE AND WARREN ROAD

Contractors Give Bond Guaranteeing the Work For Five Years.

Bisbee, Ariz., Feb. 6.—The board of supervisors has let the contract for the paving of the Bisbee-Warren road to Bane & Tarnant, local contractors, at \$145 per square yard. The paving is to consist of a five inch bituminous crushed rock base, with a three inch bituminous wearing surface. The road will be 1.55 miles in length.

This is the result of the efforts of the Warren District Commercial club to secure this improvement for the Warren district. No road in Arizona is traveled more than that stretch of highway extending between Bisbee and Warren, especially on that part of the road which runs from the city limits of Bisbee through Lower Warren.

The contractors will be required to furnish bond guaranteeing the road for five years after its acceptance.

Three other contracting firms bid on the work, but the board of supervisors held that the bid of Bane & Tarnant was the best. The work on the road will begin within three weeks. Local labor and material will be used.

## DETROIT MEN BUY RAMON VIGIL GRANT

Deal Involving \$100,000 Is Closed at Santa Fe; Purchase Encompasses 31,802 Acres in Sandoval County.

Santa Fe, N. M., Feb. 6.—One of the largest land deals made in New Mexico in years was consummated when Detroit men purchased the Ramon Vigil grant of 31,802 acres in Sandoval county. The land was sold by the United States Bank and Trust company as trustee for William E. Stubbs, of Chicago, and John S. Smith, who are trustees for a number of others.

The deal is said to involve almost \$100,000. The Ramon Vigil grant is valuable for its timber, agricultural and grazing possibilities and interesting because of the many prehistoric and cave dwellings situated upon it. In fact, it was these prehistoric ruins that helped to clinch the deal finally, for Paul R. Gray and William R. Kates, who represented the purchasers, after spending several days on the grant among the cliff dwellings, were shown through the New Mexico museum late one evening by the secretary and were so enthusiastic over the mural paintings depicting scenes among the cliff dwellings and the other exhibits that they decided to report to their principals the proposition, and after asking for letters from the museum and School of American Archaeology authorities, pledged themselves to present the proposition among the ruins and to contribute towards their scientific excavation and preservation.

## TUCSON ELKS MAY SELL HOME TO CITY

Plans Are Being Drawn for an Eight Story Building to Be Erected in Tucson by T. H. Krantzschmidt, Jr.

Tucson, Ariz., Feb. 5.—The city of Tucson is negotiating with the local lodge of Elks for the purchase of the Elks' home, known as the Elks' hall, at the city square, for the purpose of erecting a four story building in the center of the business district. It has been proposed that the city issue bonds to pay for the purchase and the remodeling that will be necessary. The city hall at present is located in the old public library building.

Plans are being drawn for an eight story office building to be financed by T. H. Krantzschmidt, Jr., assistant division superintendent of the local division of the Southern Pacific. The building will be located at Broadway and Stone, immediately west of the site of the new federal building. Krantzschmidt asserts that he has interested foreign capital in the proposition.

## POSTOFFICE IN MIAMI COMPLETED

Miami, Ariz., Feb. 6.—The new post-office building on Live Oak street, near Keystone avenue, has been completed and occupied. The lease of the building is for ten years, and the question of removal cannot come up again until after that period.

John Suedden has completed the erection of a modern bungalow on his lot in the inauguration addition, it contains five rooms and bath.

It is reported that the Miami Copper company has offered to supply electricity to the residents of lower Miami at a low cost, also to light the principal streets.

L. E. Sadler, proprietor of the Mission restaurant in major J. H. Fitzpatrick's block on Keystone avenue, has completed extensive improvements. W. J. Lambert has purchased the

## YUMA'S \$500,000 OF ROAD BONDS SOLD

Yuma, Ariz., Feb. 6.—Yuma county's \$500,000 road bond issue has been sold to the Kelley & Kelley Investment company, of Kansas City, at par. The bonds bear five percent interest, but it has been arranged that they shall be immediately funded by the state, which will issue 4 1/2 percent bonds in place of them. The saving in interest during the life of the bonds will be \$35,000.

## EL PASOAN WILL CALL SEC. HOUSTON "PROF."

One El Pasoan who will have the privilege of shaking hands with secretary David E. Houston of the department of agriculture if he stops here Saturday, will be privileged to call him "professor." He is assistant United States attorney Robert T. Nell, who was a student at the University of Texas when secretary Houston was dean of the academic department and professor of political economy.

Secretary Houston was respected for his fine qualities, attorney Nell says. "He was not a mixer in the political sense of the word, but he was a thorough student, deliberate yet energetic, keen but not especially enthusiastic. After graduated he went to the A. & M. college as president and then returned to the University of Texas as its president. He was given a much larger salary at Washington than he was holding this position when he was appointed secretary of agriculture."

## SALT WATER GEYSERS, INSTEAD OF OIL FOUND.

Bucharest, Rumania, Feb. 6.—Phenomenal geysers, throwing up boiling water and steam heavily impregnated with salt, have attracted a number of geologists to the oil fields at Ilpalesti Di Targu, in the province of Prachova. The water issues from springs made in the search for oil. It is accompanied by a terrific hissing roar that can be heard about five miles. Around each boring a heavy curtain of salt has been deposited.

## My Meals Don't Hurt a Bit

A Little Stuart's Dyspepsia Tablet Will Aid Your Exhausted Stomach to Digest Any Meal.

Isn't it a real joy to see children eat? There is almost a ridiculous humor about it. The same joy that a child feels at meal time should be experienced by "grown-ups" and would be if they would only do as children do.

The work, worries and woes of adult life exhaust the digestive apparatus and nature very often is not allowed time or opportunity to restore and repair the exhausted organs and depleted digestive juices.

"Well What's You Think of a Big Feed Without Pain?"

A Stuart's tablet goes into the stomach like food. It contains nothing but natural digestive elements and when at work in a weak stomach it aids the worn-out gastric glands, supplies the right kind of stimulation, and under the action of the stomach it thoroughly permeates all the food. Thus when the stomach work is done the food goes into the small intestines in better shape to be assimilated by the system.

One element of Stuart's Dyspepsia Tablets is so strong and efficient that one grain of it will digest 3,000 grains of mixed food such as meats, vegetables, grains, fluids, etc.

The simple habit of eating a Stuart's Dyspepsia Tablet after each meal will redress your digestion in a very short time so that you will no longer need assistance.

## Telephone Talk Another Reflection in the Business Mirror

This is an appreciation

Several weeks ago we began a series of Telephone Talks in the newspapers of El Paso

In these Talks we told you the story of our company, of its rates, its methods, its ambitions, and its difficulties

We told you that we had "Banked on your support" when we built our company, and that we had earned it and deserved it

We showed you frankly and openly where we were losing money and why

Then we asked you to help us adjust our rates

We dealt with you direct, and we dealt openly and fairly

The results have shown us that we did the right thing

In less than six weeks our contract men have visited every residence in the city where there is a telephone

Everywhere they were greeted cordially and made to feel welcome

They made new friends for the company, and with your help they increased our revenue

The loss that confronted us has been overcome

You have done your part—now, we'll do ours

We just want to say "Thank You" and tell you that we are going to do everything we know how to show our appreciation

We shall do our best to give El Paso the finest telephone service in the country

## The Doctor's Advice

by Dr. Lewis Baker

The questions answered below are general in character, the symptoms or diseases are given and the answers will apply to any case of similar nature.

Those wishing further advice, free, may address Dr. Lewis Baker, College building, College-street, Dayton, O., enclosing self-addressed, stamped envelope, full name and address must be given, but only initials or fictitious name will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order of wholesaler.

lightest cough and soon cure it by its laxative tonic action.

"Miriam G." writes: "I am afflicted with stomach and bowel disorders and am fearful that it will result in appendicitis. Please advise me."

Answer: Undoubtedly a great many people could prevent appendicitis by using precaution, and overcoming stomach and bowel disorders in time. I advise that you take tablets trioleptine.

"Caroline" writes: "I have pains in my spine, and trifling headache in back of head, fainting spells, twitching and trembling, nervousness, sleeplessness, loss of appetite and strength, in fact am a 'run down' when it comes to performing accustomed work and duties. Please advise."

Answer: In all such cases the assimilative function of the body is impaired with waste functions and a powerful harmless tonic treatment is needed. I find three grain caduate tablets, unexcelled and astonishingly beneficial in such cases and advise them for you.

"Mrs. W. C." asks: "Is it safe to reduce one's weight by using laxatives? I have often wanted to take something, but have been afraid that it might do more harm than good."

Answer: Some remedies which are not safe, but I prescribe one which is both safe and effective. Ask any well stocked pharmacy for 5-grain caduate tablets, packed in sealed tubes, with full directions for use. They are made of sulphur, cream of tartar and herb medicine. If these are taken regularly they purify the blood, stimulate the liver and bowels into healthy action and will gradually effect a cure.

"Mother" writes: "Bedwetting in children is usually a disease which can be corrected by the use of the following: Tincture of cod-liver oil, 1 dram; tincture of rhubarb, 2 drams; comp. fluid balsam, 1 oz. Mix and give the child 10 to 15 drops in water one hour before each meal."

Alice M. writes: "Something seems to be wrong with my system and I don't know what it is. I have huge puffs under my eyes, my eyes are swollen, my nose and my feet and ankles are swollen. Sometimes I have chills and feel weak and tired most of the time."

Answer: Your eliminative organs, such as liver and kidneys, are in need of treatment. Buy 5-grain caduate tablets, sealed in sealed tubes with full directions of any well stocked druggist.—Advertisement.

## Over Half of All-Sickness Caused By Clogged-Up Weakened Kidneys

Hundreds Are Suffering With Kidney Trouble and Don't Know It. Backache, Bladder Disorder and Rheumatism Are The Result.

It is a well recognized fact among physicians today, that the greater part of all sickness can be avoided by keeping the kidneys working properly.

This is even more important than for the bowels to move regularly, because the kidneys and bladder are the filters and sewers of the body. If or sides, bladder or urinary disorders, lumbar, rheumatism, diseases, puffing swellings under the eyes or in the feet and ankles, nervousness, tired and worn-out feeling, or any of the many other symptoms of kidney trouble, don't neglect yourself another day and run the risk of serious complications. Secure an original package of Croxone, which costs but a trifle, take three doses a day, for a few days, and you will be surprised how entirely different you will feel.

Croxone overcomes the very worst cases because it removes the cause of

such troubles. It soaks right in and cleans out the kidneys and makes them filter out all the poisonous waste matter and uric acid that lodges in the joints and muscles, causing rheumatism; soothes and heals the bladder and quickly ends all such troubles.

It is the most wonderful remedy ever made for the purpose. You will find it entirely different from anything you have ever used. There is nothing else on earth to compare with it. It matters not how old you are or how long you have suffered, the very principle of Croxone is such that it is practically impossible to take it into the human system without results.

You can secure an original package of Croxone from any first-class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give the desired results the very first time you use it.—Advertisement.

## TAKE SALTS IF YOUR BACK HURTS SAYS DRUGS EXCITE THE KIDNEYS

Salts harmless to flush kidneys and neutralize acid, thus ending bladder trouble.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs. The kidneys are made to irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink

too much; also get from any pharmacist about four ounces of Jad Salts: take a teaspoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. The famous salts are made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys, to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.—Advertisement.
